Subject: Request to Provide Information Pursuant to CAA

Dear Ms. Topinka,

I contacted you by phone on Tuesday August 19, 2014 to get clarification on one of the items in the Request to Provide Information received by Savoy Energy on August 11, 2014. While on the phone I asked about getting an extension to the 30 day deadline. You suggested I wait and ask for the extension at a later date. We have made substantial progress towards finishing the submittal, but I expect the need for additional time beyond the 30 day deadline. Early next week I should know exactly how much additional time is required and will contact you then to discuss.

Just wanted to send you an email today to provide an update on the status of this work.

Sincerely,

Dylan Foglesong
